2. Spoke with Representative John J. Rooney this morning to make certain that he had received the message that the Director had suggested the inclusion of Representative Frank Bow in tomorrow's meeting. Mr. Rooney stated he had no objection but that in any event the Director was not going to get what he was coming up to request.

3. Left word in the office of Representative Frank Bow that the Director would very much like him to meet with Representative Rooney in Rooney's office at 4:45 on 28 April to discuss a budget item which was familiar to Mr. Bow. I indicated I had spoken to Mr. Rooney about this and he had no objection. I was informed that very likely Mr. Bow would be present.

5. Gene Winters telephoned to advise that John Kress of GSA had assembled a report on new construction and other real estate matters for presentation to a congressional committee. CIA personnel figures were not identified but were included in the total. It was suggested that prior to formal presentation an explanation be offered the principal staff man of the committee. ✓
